Letter of recommendation

To Whom It May Concern:

Takeda Belarus Representative Office is very pleased to recommend Videolab.by as a partner for advertisement or social video/film production.

Within our cooperation Videolab.by provided the creative concepts, the technical solutions and the work flow process to make the end product (corporate culture video clip) absolutely perfect.

The company Videolab.by has unique ability to not only create an idea or vision, but the skillful knowledge and creativity necessary to make it a reality. Their abilities in producing videos are superior.

We can sincerely recommend them to a video/film production facility as excellent editors with the capacity to handle additional responsibilities including graphic creation, animation, special effects, sound engineering and direction. They are also very flexible in terms of contract and payment relations and can create a very comfortable atmosphere for all participants of a project of video producing.

The quality of work provided by Videolab.by is "top shelf" and we will definitely continue our cooperation with them.

If you have any questions, please feel free to contact me directly.
